

RESOLUTION NO. 2001-32

**A RESOLUTION OF THE BOARD OF DIRECTORS OF THE
PLUMAS EUREKA COMMUNITY SERVICES DISTRICT
FOR BULK WATER USAGE FOR CONSTRUCTION PURPOSES**

WHEREAS, the Plumas Eureka Community Services District (the "District") is a municipal corporation established and operating under the provisions of the Community Services District Law, Section 61000 et seq of the California Government Code (the "Act"); and

WHEREAS, the District is managed and controlled by a Board of Directors (the "Board");
and

WHEREAS, in the course of construction it becomes necessary for a contractor to request usage of Bulk Water for construction purposes.

NOW, THEREFORE, IT IS HEREBY RESOLVED, DETERMINED AND ORDERED BY THE BOARD OF DIRECTORS OF THE PLUMAS EUREKA COMMUNITY SERVICES DISTRICT AS FOLLOWS:

1. Upon ascertaining that usage of bulk water is necessary for the proper construction of a project within the boundaries of the District, a contractor may contract with the District for said usage by and in accordance with the following:

1.1 An application for use of a temporary meter for construction purposes shall be submitted by the Contractor along with the Deposit Fee (see Section 3)

2. Conditions of Service:

2.1 Contractor shall keep a daily record of water usage via meter readings and shall submit said readings to the District Office either at the end of each workday or on the Monday of each week following usage, as determined by the District General Manager.

2.2 Only approved fire hydrant spanner wrenches shall be used to open and close hydrant valves. Pipe wrenches are prohibited. Damages to hydrants will be the responsibility of the Contractor.

2.4 Fire hydrants shall be turned on and off slowly as directed by the District General Manager or Fire Chief to prevent water hammering and/or potential damage to the waterlines.

2. Conditions of Service - continued

2.5 Fittings and adaptors having other than National Standard fire hose threads are prohibited.

2.6 The Contractor shall be responsible for securing the meter with their own chain and padlock. In case of emergency, the Fire Department reserves the right to cut the lock.

2.7 All water trucks shall be equipped with an air gap filling system approved by the District to prevent possible reverse flow.

2.8 Where hoses are extended across any street, road or any other avenue of vehicular travel, the user must utilize appropriate bridging to protect the hose, utilities and vehicles from damage.

2.9 Users are advised that they are ultimately responsible for damage to the hydrant and meter and any other District property. Repair/replacement fees shall be applied to the security deposit prior to refund.

2.10 Violation of any of the above shall result in removal of the meter and retention of all deposits by the District.

2.11 Refunds will be made in accordance with the District's accounts payable procedures. In the event a check paying District fees, services, etc. is not honored by the applicant's bank, the deposit will be held until restitution is made.

3. Bulk Water Fees

3.1 Deposit Fee \$ 2000.00

3.2 Meter Rental \$ 20.00/Day
\$ 100.00/Week
\$ 300.00/Month

3.3 Bulk Water Fee \$ 2.00 per 1000 gallons

3.4 Fees shall be billed on a monthly basis unless otherwise determined by the General Manager of the District. All fees are due and payable in full within 30 days of the date of the invoice.

4. Effective Date of Resolution. This Resolution shall take effect on the date of its passage and approval.

THE BULK WATER USAGE FOR CONSTRUCTION PURPOSES POLICY RESOLUTION EXECUTED ON THIS THE 14 DAY OF November, 2001 by the following vote of the governing body.

AYES: *Williams, Nichols, Donato, Tretten, Ludden*
