

CHIEF'S REPORT

July 2021

Call Reports and Training

Calls – Medicals & MVA's: 6, Fire: 2

We are keeping abreast of the latest precautions for the coronavirus and will continue to follow CDC and NorCal EMS guidelines and requirements.

Training – Live Fire training see Fire Equipment below.

Personnel Activity

- I had previously reported that 9 out of 13 (69%) personnel have been fully vaccinated. Since then, we've had two more personnel vaccinated and a third member being scheduled. Final vaccination count anticipated is 12 out of 13 (92%).

Fire Equipment

- 9178 spent 2 weeks on the Beckwourth Complex Fire providing structure protection and putting out spot fires on Hwy 395.
- 9122, originally planned for a 2-week deployment to the Dixie Fire, has been extended another week. We will be de-mobilized on 8/12, which is mandatory following a 3-week deployment. We spent 1 ½ weeks at Buck's Lake MRB (Mobile Retardant Base) and ½ week at Quincy MRB. Deployed to Greenville on 8/5.
- Renovations on the new command vehicle are (slowly) moving forward. AC has been repaired and fluids have been drained and replaced. Next appointment is scheduled for Aug 18th at Les Schwab, struts, shocks, tires, balance. Waiting on a quote from Nevada Blue to wrap the vehicle with identity markings.
- Purchased (4) BK radios for the Department to use for local, County and state wide incidents.

Other Activity

- **Burn permits have been suspended and outside burning is prohibited.** The Air Quality Board determines burn days. Please call (530) 832-4528, press 5 for our region, and listen to the entire message for day designation and instructions.
