TITLE

Terms and Conditions

- Customer is responsible for daily fluid checks (oil and coolant) of rental units. Scheduled maintenance is required for every 250 hours of equipment operation, 500 hours for light towers (changing oil and all filters). You may do your own maintenance or contact Cashman for a quote and scheduling.

**Note: If maintenance is not performed there will be a PM service charge, per hour of run time.

Fuel

- Customers are responsible for returning units at the same fuel level upon pick up. There will be a charge of \$10.00 per gallon of fuel needed to return to required level. DEF will be charged at \$8.00 per gallon if not returned full. Equipment is delivered full of fuel excluding select diesel pumps, compressors and 500kw - 2000kw generators. Cashman offers an ONSITE fueling services at market rates. Please contact your rep for a quote. Customers are responsible for returning units full of DEF when applicable. There will be a charge of \$8.00 per gallon of DEF when not returned full.

Freight

- Freight charges, if quoted, are estimates only and are subject to change. Freight is charged at \$145.00 per hour during hours of operation.

Shift Hours

- SINGLE SHIFT = 8 hours/day | 40 hours/week | 160 hours/4-week
DOUBLE SHIFT = 8-16 hours/day | 40-80 hours/week | 160-320 hours/4-week
TRIPLE SHIFT = 16+ hours/day | 80+ hours/week | 320+ hours/4-week

Terms and Conditions

- Excessive cleaning or repairs due to customer neglect will be charged to the customer. Customer must promptly report any and all equipment related problems. Customer is responsible for obtaining any relevant operating permits.
- Customer is responsible for secondary containment of hazardous materials relative to the rental unit and fuel tank. Customer is also responsible for protecting their equipment from voltage and frequency surges from the generator set, including generator set malfunction. Cashman Power nor its contractors/suppliers will be liable for any damages to the environment or any equipment due to equipment operation, malfunction, or failure.
