July 6, 2022

Dear Property Owner,

The Plumas Eureka CSD has recently surveyed the boundaries of its property along the Feather River. Upon the completion of the survey, it was found that there are improvements connected to your property that may encroach onto PECSD property.

To help verify the property lines, I ask that you send all legal descriptions of your property to allow a comparison to our survey. Once we have established the property boundaries we will determine if any other actions are needed.

I will be reporting the District Board of Directors at the Regular Meeting on July 13th 2022 at 9am. No actions will be taken at that time.

I look forward to hearing from you.

Sincerely,

Jamar Tate, General Manager
