Mr. Tate,

Plumas Pines Golf Course Resort is requesting you reduce the water bill that our facility has been paying. We are paying at a rate of 9 residential hookups for the following:

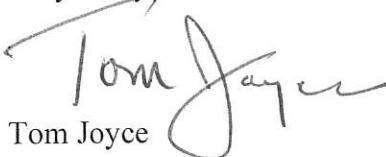

- 2 bathrooms on the Golf Course – Only available for use 6 months out of the year.
- 1 bathroom at the Picnic area – Occasionally available for summer Special Events.
- 1 bathroom at the Maintenance Shop.
- 3 bathrooms in the Clubhouse – 2 of which are only used for 6 months out of the year.
- 2 kitchens – only one (snack bar) which is used and only for 6 months out of the year.

We do not use PECSD water for the Golf Course.
Our facility is closed for 6 months with the bathrooms on the golf course, bathrooms at the picnic area, 2 bathrooms in the clubhouse and the kitchens shut down.

Can you put our request on your next Agenda and let us know the date and time so we may attend.

Thank you for your time

Very Truly Yours,

Tom Joyce

Mr. Tate,

We have been providing landscape/irrigation water at no charge to several residents on Meadow Lane and W. Ponderosa Drive adjacent to our Golf Course.

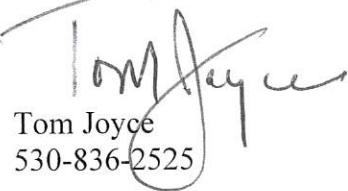

With State regulations, local and state water restrictions and increasing costs we will no longer provide this service.

We will shut off the service connection to these properties by May 15.

Should you have any questions please feel free to contact me.

Thank you for your time.

Very Truly Yours,

Tom Joyce
