

PLUMAS EUREKA COMMUNITY SERVICES DISTRICT
REGULAR BOARD MEETING August 10, 2022

Agenda Item #9 Property Transfer

Background: In 2019, the Board identified surplus properties within the District. Property owners surrounding the surplus parcels were contacted and preliminary agreements were made with two of the three sets of property owners. Final actions were delayed because of COVID 19. The General Manager will be sending out letters to reactivate the property transfers. The properties that are surplus are at the south end of Pine Cone Court, north end of East Pinion Pine Circle, and the east end of Lundy Lane (see map, properties are in orange).

Recommendation: Information only
