

PEFD Chief's Report for September 2020

Call Reports and Training

- Calls – Medicals & MVA's: 1, Fire: 0
We are keeping abreast of the latest precautions for the coronavirus and will continue to follow CDC and NorCal EMS guidelines and requirements.
- Training – Medical training on OB/GYN practices and Firefighting using foam.

Personnel Activity

- Nothing new to report

Fire Equipment

- 9122 had a foam flow issue so we replaced a part which fixed one issue but foam still wouldn't flow so we took the engine to Quincy FD for repair. 9122 can now pump foam automatically.
- I've scheduled 9122 & 9121 to have their annual major service and a DOT inspection in November.

Other Activity

- Continuing with community outreach program.
- All outside burning has been suspended until further notice. However, contained fire pits made of metal or brick, etc are still being allowed at this time.
