## FIRE CHIEF'S REPORT

### May 2021

#### Call Reports and Training

Calls – Medicals & MVA's: 4, Fire: 4

We are keeping abreast of the latest precautions for the coronavirus and will continue to follow CDC and NorCal EMS guidelines and requirements.

Training –

- 5/1 - Water sourcing without Hydrants. Practiced Drafting out of a pond and receiving water from a tender. Long Valley hosted the training in Sloat. Also in attendance was Greenhorn Fire Department.
- 5/12 - Medical training on Trauma and Altered State of Consciousness.
- 5/26 – Distribution of new Standard Operating Guidelines. Discussed important sections and reviewed expectations of behavior.

#### Personnel Activity

- Two firefighters are finishing their EMR requirements. Once completed, all personnel within the Department will be (at minimum) EMR Certified.

#### Fire Equipment

- 9122 was taken out of service due to a leaky pipe into the holding tank.

#### Other Activity

- Continuing with community outreach program.
- **Burn permits have been suspended and outside burning is prohibited.** The Air Quality Board determines burn days. Please call (530) 832-4528, press 5

for our region, and listen to the entire message for day designation and instructions.
